IntAR, the journal of Interventions and Adaptive Reuse, is the official publication of the [Department of Interior Architecture](https://intar.risd.edu/), [Rhode Island School of Design](https://www.risd.edu/), and its editors Liliane Wong and Markus Berger. It is supported by members of the faculty, by the Department, its Division, the College and its Editorial Board. See [About](http://demo.risd.bepress.com/interiorarchitecture_intarjournal/about.html) for complete coverage of the journal.

Volume 9 (2018) Intervention As Act

Authors from around the world were asked to contemplate about the specific time we live, characterized by violence, racism, inequality, supremacy, ignorance. These actions prompt responses, daily and globally, from Tweets to boycotts, but also kindness and unintended heroism. In the built environment, both microscopic and urbanistic, design interventions react to constraints of nature, clients, budgets, structural limits.
